Facility Cleaning Station for User Safety and Environmental Responsibility

BIOTEK's Bio-GREEN™ facilities care program consists of four environmentally-responsible products that work—period! Additionally available is a CA-MRSA (USA-300 & 400 Strains) pH neutral, no-rinse disinfectant cleaner that addresses this public concern. The Dilution at Hand two station dispenser with 1 and 4 gallon per minute four station dial. Dispenser can dilute up to four different products at 1 gallon per minute and one additional product 4 gallons per minute. 1 gallon per minute side is activated using one hand bottle fill and 4 gallon per minute side is activated using remote fill gun. Dispenser is built with ASSE 1055B approved Action Gap backflow prevention.

Bio-GREEN™ H₂YDRO-Orange PO₂WER

Environmentally-Responsible MULTI-PURPOSE CLEANER, DEGREASER & STAIN REMOVER

Using the power of hydrogen peroxide and the cleaning ability of d'Limonene Hydro-Orange Power Concentrate is the latest generation in cleaning. Hydro-Orange Power Concentrate is specifically formulated at a higher pH than other cleaners. Hydrogen peroxide is more active at a higher pH, which means better cleaning and stain removing properties than the other market brands. This higher pH also allows the d'Limonene and surfactants to work better.

Bio-GREEN™ Glass Cleaner Concentrate

Environmentally-Responsible Glass Cleaner

BioGREEN™ Glass Cleaner is a safe, vinegar enhanced, ammonia free, versatile cleaner that maximizes the removal of grease, finger smears, smoke, film, water spots and other soils from glass, mirrors and other non-porous surfaces with a minimum of effort. No rinsing is necessary to leave a clean, non-streak, film free and sparkling finish.

Recognized for Safer Chemistry.

Bio-GREEN™ Tile, Grout & Restroom Cleaner

Environmentally-Responsible Restroom Cleaner

BioGREEN™ Tile, Grout & Restroom Cleaner is a unique blend of surfactants and water conditioners. This cleaner creates a high foam, that clings to the surface, to maximize the removal of mold, mildew, soap scum and hard water deposits. Designed for use on tile, painted surfaces and fixtures with minimum effort; it rinses easily from surfaces leaving a clean and sparkling finish.

Bio-GREEN™ Neutral Floor Cleaner

Environmentally-Responsible Floor Cleaner

BioGREEN™ Neutral, no-rinse floor cleaner contains only detergents and water - does not contain alkaline builders or solvents. Will not dull or leave a film on floor surface. Excellent for cleaning walls, equipment, sealed wood floors, marble, display cases, furniture and stainless steel.

PROTECT™ ❄️

Environmentally-Responsible pH Neutral CA-MRSA (USA-300 & 400 Strains) Disinfectant

This neutral, no-rinse disinfectant cleaner combines the activity of a dialkyl quaternary with powerful cleaning agents, buffered to a neutral pH for no-rinse cleaning and disinfection of ARB (Antibiotic Resistant Bacteria). Provides broad spectrum effectiveness against gram-positive and gram-negative bacteria including VISA, VRE strains and MRSA (Methicillin Resistant Staphylococcus Aureus), viruses (including HBV, HCV and HIV-1, the AIDS virus), and pathogenic fungi (including T. mentagrophytes the athlete's foot fungus) on artificial turf, sports equipment, playground equipment, exercise mats and more!

*Currently there is no EPA DfE standard for industrial and institutional disinfectants.

Environmental/Safety Profile

Criteria	Products				Definition of Criteria
	Hydro-Orange Power	Glass Cleaner	Tile, Grout & Restroom	Protect™ *	
US EPA DfE Certified		✓	✓		Recognized for Safer Chemistry
CA-MRSA Rated				✓	This product is rated for CA-MRSA (USA-300 & 400 Strains)
Biodegradability	✓	✓	✓	✓	Evidence indicates the ingredients used in the products do not bioaccumulate and are biodegradable in the environment as well as in wastewater sewage treatment plants.
Non-Acid	✓	✓	✓	✓	Determination is made on the presence of acid in the product.
Non-Corrosive	✓	✓	✓	✓	Meets OSHA Hazard Communication Standard (29 CFR 1910.1200) and DOT Hazardous Material Regulations (49 CFR 173.136).
Non-Flammable	✓	✓	✓	✓	Meets OSHA Hazard Communication Standard (29 CFR 1910.1200) and DOT Hazardous Material Regulations (49 CFR 173.120).
Non-Sensitizing	✓	✓	✓	✓	The product's ingredients are not skin sensitizers as tested by the OECD Guidelines, Section 406.
APEO-Free	✓	✓	✓	✓	Determination is made on the presence of Alkylphenylethoxylates (APEO) in the product.
Non-Carcinogen	✓	✓	✓	✓	Contains no ingredients that are listed as known, probable, or possible human carcinogens.
Non-Toxic	✓	✓	✓	✓	Meets OSHA Hazard Communication Standard (29 CFR 1910 Subpart Z).
Phosphate-Free	✓	✓	✓	✓	Meets New York Environmental Conservation Law (Article 35, Title 6, Section 695.1).
VOC-Compliant	✓	✓	✓	✓	Product does not contain any VOC or exceed the acceptable VOC content as established.
